• Obtaining an Additional Vehicle Waiver [30-day waivers]

Additional Vehicle Waivers

[30-day waivers] are required to register any additional vehicle that exceeds the established limit of one 4-wheeled and one 2-wheeled vehicle per licensed member. The waiver is for the vehicle you CURRENTLY OWN, and intend to sell, transfer or dispose of, NOT FOR THE ADDITIONAL VEHICLE YOU PLAN TO REGISTER.

Step 1: Visit <http://www.mcbbutler.marines.mil/BaseInformation/VehicleRegistration.aspx> and download the “30-day additional vehicle waiver.” Have it typed on unit letterhead and signed by the Commanding Officer or, for civilians, by your supervisor.

Step 2: Take the signed waiver to the Joint Service Vehicle Registration Office (JSVRO—Bldg 5638 on Camp Foster) and present it to the customer service section [directly across from the front door] They will check their vehicle database to ensure you are eligible for this waiver. Only one active waiver is allowed per person.

Step 3: After the 30-day additional vehicle waiver is granted/stamped, follow the steps for purchasing a vehicle [either from a private owner or from a dealership] and registering a vehicle [either yourself or paying an agency or company to do it for you] as outlined in other “A Closer Look...” guides on the 1st MAW Marines.mil website at <http://www.1stmaw.marines.mil/> The are located on the unit home top link bar [drop-down menu] > Resources > A Closer Look > (Name of Guide)

Notes: To be eligible for a 30-day additional vehicle waiver, you must:

- Have owned the vehicle you plan to sell or dispose of for at least 120 days.
- Own the vehicle—there can be no lien on the vehicle—it must be paid in full.
- Have a current Government of Japan (GOJ) Inspection and base registration
- Have current Japanese Compulsory Insurance (JCI) and Property Damage Insurance (PDI) policies. These policies must remain current throughout the waiver.
- Have a currently paid road tax sticker.

Waivers can be extended ONCE up to 60 days. If the vehicle owner / sponsor is not available to obtain the waiver in person, a power of attorney must be presented to the JSVRO to complete the process.
